

User Manual - Approver (Superior and President)

Who you are: the person with the authority to permit an employee's request.

Approving or Rejecting a Request

1. Log in and go to the Approval Dashboard.

[**SCREENSHOT: AP1 - Approval Dashboard (Pending requests)**]

(place the actual screenshot here)

2. Click Review beside the requester's name.
3. Read the details - destination, purpose, and (if a vehicle is involved) the schedule.

[**SCREENSHOT: AP2 - Document Review Modal**]

(place the actual screenshot here)

4. Apply your e-signature on the digital canvas (mouse or touchscreen).

[**SCREENSHOT: AP3 - Signature Pad**]

(place the actual screenshot here)

5. Click Approve. If it cannot be approved, click Reject and provide a clear reason.

Note: Once you approve, the request moves to the next step (HRAD / President / PAS) until the full route is complete.
